'We've had such successful events with Classified our first two years and last year with Ricky Z's Billy Joel Tribute band at The Stanley, we knew our runners and guests would love the opportunity to do it again, and we're lucky to have this dynamite Billy Joel tribute band back again this year!', said Tim Reed, President of The Boilermaker. 'Everybody loves Billy Joel's music and these guys play it flawlessly!' The concert will run from 6pm until 8pm, which gives runners plenty of time to enjoy the show and rest-up before Sunday morning's race. Ricky Z will also present several Yamaha digital pianos to local schools during intermission, something he has done with sixteen local schools to date. 'This is great entertainment for the entire family and we're excited to be able to open the doors to our beautiful historic Stanley Theater to everyone including the Boilermaker visitors from out of town. With this awesome band, it will be a great night of Billy Joel's music and more, something for everyone plus a few surprises!' said Jerry Kraus, the Stanley's Executive Director.
